Dear Tim and Tina McDuffie,

Thank you so much for the books I received in the mail this past week. It was a pleasant surprise!

I was able to keep a few books myself; a friend saw one he wanted to read; and the rest I donated to our camp library.

It is a privilege to have you send these books to me; I very much appreciate it. Your support of us over here is very touching.

My wife and kids are avid readers; I will point your store out to them! Thank you again for your generosity.

Regards,  
Chuck
