

Thank
You

Dear Here Be Books,
I want to thank you
for sending books to my
friend Kathy in IRAQ.
She was thrilled to get
them. (Enclosed is her
email)

What a wonderful
thing you are doing
for our troops.

I am enclosing a
donation in appreciation
of what you are doing
for our troops. I know
it helps with the
shipping costs. God Bless

Sheri, Thank you so much for giving my name to the book store. I got a package of wonderful books today and a note saying you had given my name to them. That was so nice! The books are greatly appreciated and we can always use something to read around here. Everyone shares their books, pretty much, but most of the folks here are guys so they tend to read different stuff than I do! Anyway, this message was on my email and I thought you might like to see it too. Hope it goes thru. Usually when I try to do this stuff it gets deleted. Keep your fingers crossed!

Note: forwarded message attached.
